

ANNOUNCEMENT NOTICE

1. The Energy Commission (ST) has published the "**Guidelines for the Approval of Electrical Equipment**" 2024 Edition which was registered on 21 June 2024 with registration no. GP/ST/No.37/2024.
2. For amendments especially those involving standard specifications, the date of coming into operation of these Guidelines will be one year from the registration date of these Guidelines.
3. These Guidelines have been reviewed taking into account:
 - i) safety standards and the latest Minimum Energy Performance Standard (MEPS) of consumer electrical equipment;
 - ii) requirements of supporting documents for the registration of manufacturer's or importer's Certificate of Registration (CoR);
 - iii) procedures of the application of Certificate of Approval (CoA); and
 - iv) additional of a new sub-category of consumer electrical equipment.
4. Failure to comply with these Guidelines on conviction, be liable to a fine not exceeding RM 200,000.00 or to imprisonment for a term not exceeding two (2) years or to both.
5. These Guidelines can be downloaded from the ST website at the following address: <https://www.st.gov.my/en/eng/details/onlineservices/6> or by scanning the provided QR code.

6. With regards to the above, manufacturers and importers are advised to take necessary action in accordance with the provisions of the Guidelines.
